

Intensive English language course for teachers

Created with ♥ by teachers for teachers
Split, Croatia | 10-day course

Description

Intensive 10 day **dynamic and fun English language course** to improve communication skills and network with other teachers and school staff within Erasmus+ programme. The course uses **innovative teaching techniques** to **improve vocabulary, grammar, listening and speaking skills**.

Participants receive materials developed by our teacher trainers specially for English language learners who are teachers in Erasmus+ programme.

This course is designed to help teachers and other school staff get rid of their fear of English, **improve their knowledge of the language** and be ready to engage in all international activities of their school.

We will guide you through a series of **game-based activities** to introduce grammar structures and important vocabulary. The course aims to **make learning a fun and dynamic process** that combines music, filmography, videos, digital tools, quizzes, and creative, fun outdoor activities that have proven to **facilitate learning of contents and skills**.

The course motivates participants to discuss interesting topics, and make new friends, **improving their speaking and listening skills** along the way. This will give them a chance to create opportunities for international cooperation and setting up new Erasmus+ projects.

One of the best ways to learn English language is to interact with native speakers. This is why participants will have lessons with trainers who are native speakers of English.

This intensive 10 day English language course presents a perfect place for participants to improve all **skills necessary to communicate in English**, and become more confident in speaking and writing.

The participants will improve their English language skills in an **effective language learning environment**, expand Erasmus+ network, learn about the beauty and culture of Croatia with other teachers and school staff.
